Use of High Risk Meds in Elderly	Health Plan	admin	NA	Yes	NA	Yes-NEW
MEASURES IN DEVELOPMENT (Test mode)						
Patient Experience						
CG-CAHPS Survey	Groups/clinics	survey	NA	Yes	TBD	Yes
HIT Measures						
New HIT Survey	Groups/clinics	survey	NA	NA	Yes	Yes
Cost Measures						
TBD	Health Plan	Claims	NA	NA	TBD	TBD
Specialty Measures						
- Colonoscopy Quality -Colorectal Cancer Screening -Colonoscopy surveillance	Groups/clinics	DDS	Yes	TBD	NA	2011
Optimal Asthma Care	Groups/clinics	DDS	Yes	TBD	NA	2011
Hospital Measures						
AHRQ Quality Indicators – Inpatient, Patient Safety, Pediatric	Hospitals	Submit to MHA	NA	Yes	NA	Yes
HEDIS Measures						
Follow-up Care for Children Prescribed ADHD Medication	Health Plan	Admin	Yes	Yes	NA	2011

*In 2010, MNMCM will report on specialties (endocrinology and cardiology) clinics that meet minimum reporting thresholds for preventive measures. Prior to 2010, MNMCM's attribution methodology filtered reporting of the preventive measures to primary care clinics, OB/GYNs, and urgent care (starting in 2009) only.
